**CERTIFICATION OF DOMICILE**

A student is enrolled at the school in his/her domicile; the place the family actually resides. **Domicile:** In applying the requirements of G.S.115C-366, it is necessary to distinguish between domicile and residence. A residence is an established home, but it need not be one's exclusive home. A person may have more than one residence, but only one domicile. Except as otherwise provided, the domicile of any student shall be deemed to be that of his/her parents or legal guardian.

Pursuant to North Carolina G.S. 14-209, if it is found that a person willfully and knowingly provided false information in this sworn affidavit, the student shall be removed from the school and the maker of the affidavit shall be guilty of a Class F felony and shall pay to the local board an amount equal to the cost of educating the student during the period of enrollment (if the student is not domiciliary of the local school administrative unit). Repayment shall not include state funds. Offenders will be prosecuted to the full extent of the law.

Falsifying any information about a student's domicile may result in: the student's immediate withdrawal and enrollment at the current school and the student's loss of his/her athletic eligibility for up to the remainder of his/her school tenure in the Kannapolis City School system.
